2016-2017 NOTICE OF SECURED ASSESSMENT ROLL

CHURCHILL COUNTY, NEVADA **DENISE L. MONDHINK-FELTON, ASSESSOR**

Notice: The 2016-2017 Secured Tax Roll is available for inspection pursuant to NRS 361.300 (3) (b). An assessment notice was recently mailed to each property owner comparing values with those of the prior tax year. The 2016-2017 tax bills will be mailed July 2016.

Special note: The 2005 Legislature passed property tax relief due to the extreme increase in market values at that time. The legislation provides that property taxes for owner occupied primary residences and low cost rentals cannot increase more than 3% per year; and all other property not more than 8% per year. This percentage is applied to taxes paid from the previous year and not to assessed values. Many homeowners are paying taxes based on older and lower assessed values, such that fluctuations in current assessed values will not have a corresponding effect on their tax bills. Due to the caps implemented by the 2005 Legislature, tax bills received next July may increase by the 3 or 8 percent caps due to the values established in prior and current years. Assessed values generally have risen for the 2016-2017 roll based on improved market conditions. Property taxes will likely be increasing by the cap factor due to the valuation changes. Exceptions to the property tax cap are made for new construction and new parcels. These parcels are not capped during the year of their initial valuation. If you have a question on which property tax cap applies to your property(s), please call our office.

Nevada Revised Statute (NRS) 361.300 requires a list of all taxpayers' secured property to be made available at the Assessor's office at 155 North Taylor Street in Fallon, NV or on the Assessor's website at: www.churchillcounty.org.

The valuation of unsecured property, e.g., mobile homes, aircraft, commercial personal property, etc., is developed throughout the year and, therefore, does not appear here. The Nevada Department of Taxation does the billing, collection and distribution of all taxes for inter-county properties that also do not appear here.

QUESTIONS AND ANSWERS ABOUT YOUR ASSESSMENT

What is the role of the Assessor's Office? The Assessor's Office discovers all taxable property and determines its taxable value for tax purposes in accordance with Nevada Law. Per NRS 361.227, the total taxable value must not exceed a property's most probable sale price in a competitive market. NRS 361.225 requires that the assessed value be 35% of the taxable value calculated in accordance with NRS 361.227. We encourage you to visit our office or the Assessor's website at www.churchillcounty.org to compare sales and review your property data.

How is my tax computed? Your assessed value, which is 35% of your total taxable value, is multiplied by your tax district's tax rate to determine the amount of tax due. This amount is reduced by any abatement the property qualifies for under the 2005 tax relief legislation.

How is the value of my property determined? Land value is based on the market value of similar vacant land sales as well as other market information that would indicate a land valuation. The value of the buildings and other items added to the property is based on the replacement cost new less 1-1/2% depreciation per each year of age. Personal property values are based on acquisition cost less depreciation dependent on the life of the asset.

Determination of Combined Tax Rates: Pursuant to NRS 361.4547 the combined tax rate used to determine the taxes is based on the combined rate necessary to produce the revenue required by the approved final budget of the local governments. The Nevada Tax Commission and Churchill County Commissioners certify each tax district's tax rate in June for the following fiscal tax year. The combined tax rate varies from taxing district to taxing district depending on what political subdivision can tax the property within each particular taxing district. Taxes are due and payable to the County Treasurer.

Why do my taxes change? Taxes change when your tax rate or assessed value changes or due to the abatements passed by the 2005 legislature.

How often can my assessed value change? Starting in 2011-2012, all property in Churchill County is reappraised annually. One-fifth of the county is physically reappraised at least once every 5 years. Additional inspections occur when parcels or improvements are either added or changed.

What if I believe the market value of my property is less than the appraised value shown or that my property was assessed differently than comparable property? Contact the Assessor's Office to discuss and receive copies of your appraisal. If you still disagree, the Assessor's Office will give you a form to file with the County Board of Equalization no later than January 15, 2016, for a hearing in February, 2016. Persons who are not satisfied with the County Board of Equalization's decision may file an appeal to the State Board of Equalization no later than March 10, 2016. The State Board of Equalization will not consider appeals that have not first been properly submitted to the County Board of Equalization. Further appeals may be made to the District and Supreme Courts.

What are the installment due dates for the 2016/2017 tax bill?

1st installment due – August 15, 2016

2nd installment due – October 3, 2016

3rd installment due – January 3, 2017

4th installment due – March 6, 2017

For your convenience property tax payments can be made online at: www.churchillcounty.org on the Clerk/Treasurer's webpage. There is also a drop box at the Churchill County Administrative Building located at 155 North Taylor Street, Fallon, NV.

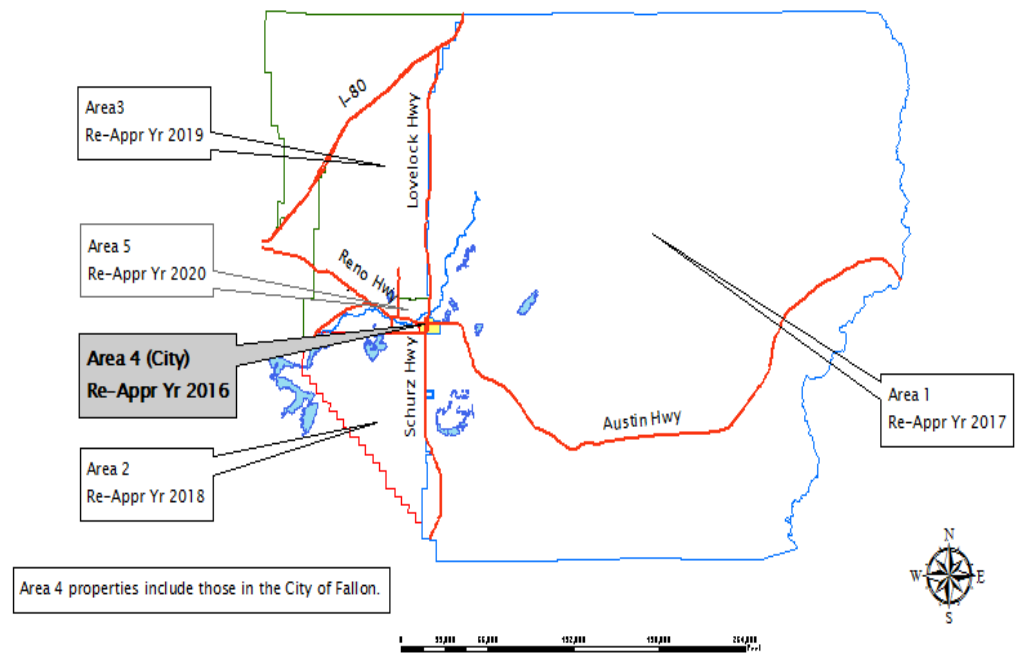
Why didn't I receive a Personal Property (Mobile Home, Aircraft, Commercial Business, etc.) tax bill?
If your tax bill amount is less than $12.00 for the fiscal year, the Nevada Tax Commission has determined that you are exempt from taxation per NRS 361.068.

EXEMPTION PROGRAMS

The State of Nevada offers tax exemptions to eligible surviving spouses, veterans, disabled veterans, and blind individuals.

The **Surviving Spouse exemption** applies to surviving spouses who are bona fide residents of the State of Nevada. You must have been married at the time of their death and have not remarried. The surviving spouse of a disabled veteran who was eligible for a disabled veteran exemption at the time of his/her death may also be eligible to receive the disabled veteran exemption. To receive this exemption, a surviving spouse must bring a copy of the death certificate to the Assessor's office when initially applying for the exemption (NRS 361.080).

Property Tax Appraisers may be visiting properties in Area 4 from Jan 1, 2016 to Dec 1, 2016



The **Veteran exemption** is applicable pursuant to NRS 361.090 to honorably discharged veterans of the Armed Forces of the United States who are bona fide residents of Nevada, and have served a minimum of 90 consecutive days of active duty of which at least one day was between:

December 7, 1941 to December 31, 1946
June 25, 1950 to May 7, 1975
September 26, 1982 to December 1, 1987
December 20, 1989 to January 31, 1990
August 2, 1990 to April 11, 1991
December 5, 1992 to March 31, 1994
November 20, 1995 to December 20, 1996

Or if you have served on active duty in connection with carrying out the authorization granted to the President of the United States in Public Law 102-1, and who received, upon severance from service, an honorable discharge or certificate of satisfactory service from the Armed Forces of the United States, or who, having so served, is still serving in the Armed Forces of the United States, may receive an exemption on their valuation. The amount of assessed valuation that is exempt from taxation is pursuant to NRS 361.090, subsection 1.
When filing for the first time, it is necessary to bring in a copy of your separation papers (DD214 form Member-4) showing dates of entry and discharge.

The **Disabled Veteran exemption** amount will depend upon the percentage of **permanent service-connected disability**:

60 to 79% disabled
80 to 99% disabled
100% disabled

The surviving spouse of a disabled veteran, who was eligible for this exemption at the time of his/her death, may be eligible to receive the benefits of this program. To apply for this exemption, you must be a bona fide resident of Nevada and furnish copies of the separation papers showing dates of entry and discharge and documentation of the total percentage of permanent service connected disability from the Veteran's Administration (NRS 361.091).

The Blind exemption is available to bona fide residents of Nevada who can provide a doctor's statement verifying your visual acuity does not exceed 20/200 in the better eye when corrected, or your field of vision subtends an angle of 20 degrees or less (NRS 361-085).

When should I apply for an exemption? An application to use an exemption on secured (real) property must be made on or before June 15 for the following fiscal tax year. An application to use an exemption on unsecured (personal) property or motor vehicle may be made any time on or before paying the taxes that are due.

How do I apply for an exemption? If you believe you are eligible for an exemption, bring your Nevada Drivers License or Nevada I.D. card and the required documents to the Assessor's Office. For exemption forms and information regarding these programs please visit our website at: www.churchillcounty.org.
